Construction – Colorfloors® Shower Bases

Construction

Clarke Colorfloors® Shower Bases are constructed of the highest-grade acrylic and reinforced with fiberglass composites for durability, quietness and insulating properties. Clarke's pre-leveling platform simplifies installation, reduces weight and assures a level installation and structural integrity.*

*Available on noted models

Warranty – Colorfloors® Shower Bases

Clarke Colorfloors® Shower Bases include a complete drain assembly, and installation, operating and care and maintenance instructions in addition to a 5-year limited warranty. For a complete copy of the Clarke Warranty, see your local Clarke dealer or write Clarke Products, Inc. Dept. W, 1170 109th St., Dallas, TX 75050
