WELLNESS™

ESCAPE

## Walk- In Acrylic Tubs

55" x 30" x 44 1/4"

(drain & optional angle bar are not included)

## Construction:

WELLNESS™ walk-in baths offer the freedom of easy and safe access so you can enjoy a satisfying and sanitizing bath. Standard features such as the acrylic construction, extra wide doors, comfort gauge thermometer, low threshold, assistance bar, ADA height seat, and textured slip resistant floor add to the bathing experience.

Every unit is performance tested with water prior to leaving the factory.

## Certification:

Meets or exceeds the following specifications:

- IAPMO & ETL

## Notes:

- This product comes complete with installation, operation and maintenance instructions.
- Electrical specifications: 120V, 20 Amp, GFCI protected circuit for pump and/or blower. Optional heater must be installed on its own dedicated 120V, 20 AMP, GFCI protected circuit.
- All dimensions and specifications are nominal and may vary +/- 1/4". Use actual products for accuracy in critical situations.
- All WELLNESS™ walk-in baths feature a 5-Year limited warranty.

## Base Models: 3055D(R or L)
