

Acrylic Tubs

Construction:

Clarke baths are constructed of the highest grade cast acrylic with fiberglass reinforced backing. Each tub features a pre-levleled base with supporting high density polyfoam blocks. The plumbing system on Clarke Hydrotherapy and Total Massage baths utilizes a smooth flex pvc & clamp system that limits water entrapment in the lines.

Every unit is performance tested with water prior to leaving the factory

Certification:

Meets or exceeds the following specifications:

- IAPMO & ETL

Notes:

- This product comes complete with installation, operating care and maintenance instructions.
- Electrical specifications: 120V, 20 Amp, GFCI protected circuit for pump and/or blower. Optional heater must be installed on its own dedicated 120V, 20 AMP, GFCI protected circuit.
- All dimensions and specifications are nominal and may vary +/- 1/4". Use actual products for accuracy in critical situations.
- All Clarke baths feature a 2-Year limited warranty

Base Model #: C6060

Features:
